29	30					

A decorative calendar for September 2019. The calendar is presented in a grid format with days of the week (SUN to SAT) as column headers and dates (1 to 30) as row entries. The numbers 1, 8, 15, 22, and 29 are in red, while 7, 14, 21, and 28 are in blue. A yellow arc curves over the top of the calendar, starting from the 9th and ending at the 6th. The calendar is decorated with autumn-themed illustrations: orange and yellow maple leaves, a grey rabbit, and green grass. The background is white with horizontal dashed lines separating the rows.
